

## 10. La canción del software libre

La melodía es de la canción popular búlgara «Sadi Moma»

The musical score consists of three staves of music. The first staff, labeled 'whistle', starts with a 7/4 time signature. It includes lyrics: 'Join us now and share the soft-ware You'll be Hoard - ers may get piles of mo-ney, That is When we have e - nough free soft-ware At our,'. The second staff, labeled 'orchestral strings', continues the melody. The third staff begins at measure 4, also with a 7/4 time signature, featuring lyrics: 'free hack - ers, you'll be true, hack - ers, that is call, hack - ers, at our' followed by 'Join us now and But they can - not We'll kick out those'. The score concludes with a final staff starting at measure 8.

Join us now and share the soft-ware You'll be  
Hoard - ers may get piles of mo-ney, That is  
When we have e - nough free soft-ware At our,

free hack - ers, you'll be true, hack - ers, that is call, hack - ers, at our

Join us now and But they can - not We'll kick out those

share the soft - ware You'll be -- free hack - ers, you'll be free.  
help their neigh-bors That's not good, hack - ers, that's not good.  
dir - ty li-cens-es Ev - er more, hack - ers, Ev - er more.
